

The **International Art Forum “Without borders”** will happen for a second time between 18th and 20th of September in “The Palace” - Balchik, Bulgaria, with the support of “Industrial Association” – Varna and with the partnership of art network “Scenderman”, “The Palace” and Transtriumph Holding AD.

Within the first forum happened international art management conference and workshop, where participated 33 professionals from 9 countries and 3 continents. Theme of this meeting was “Music without borders”. The idea of the first forum was developing of international culture network, future art festival and developing north-east Bulgaria as a future center of the European, Balkan and Bulgarian art and culture.

The second international art forum also includes conference, where will participate organizers, journalists and professionals in field of music and culture from 24 countries from 4 continents.

Within the forum, on 19th and 20th of September will happen also international showcase festival of arts and culture. It includes leading musicians and artists from Bulgaria, UK, Greece, Denmark, Israel, Italy, Norway, Romania, Slovenia, Turkey and Sweden. Showcase concerts will happen too: classical music, ethno, worldmusic and jazz, presentations and painters exhibition. Interesting fact is the first concert in Bulgaria of the Hollywood star from USA – Latif Bolat (Turkish sufy ethnic musician and composer, the author of the music of the TV Serial “Young Indiana Jones” by George Lucas); the winner of Denmark's music awards – “singer of the year” – Jullie Hjetland, and many others. In Balchik at the time of the forum will be also workshop of painters from 4 countries of Europe with exhibition on 19th of September in “The Palace” - Balchik
